

Hi [Name]! Our swim team is holding a **Duathlon Fundraiser**—I will be swimming and running on **May 17** to help support our team. Funds raised go toward important costs like **swim caps, meet officials, and our end-of-season banquet**.

Donations are open through **May 26**, and the participant who raises the most will win a prize!

Would you consider supporting me and the team with a donation? Thank you so much!
