

Sizing Guidelines

Female: Suits should fit snug, high on the hips with no wrinkles. Suits that are worn too big tend to wear out faster. If they come up into the armpit or are loose in that area, they can cause chafing.

Little Girls: 20 (4/5), 22 (6/7), 24 (8/10)

Girls: 26 (10/12), 28 (12/14)

Women: 30 (4), 32 (6), 34 (8), 36 (10), 38 (12), 40 (14)

Male: Jammers should be worn like compression shorts or very tight boxer briefs. Suits are also measured by the waist.

Little Boys: 20 (4/5), 22 (6/7), 24 (8/10)

Boys: 26 (10/12), 28 (12/14 or men's 28 waist pants)

Men: 30, 32, 34, 36, 38 (based off men's pant waist sizing)

Additional Notes:

- Suits should fit snug when trying on as they will stretch in water.
- Suits should be hand washed, no washer or dryer.
